29	Sec 4. (a) For purposes of this section, "council" means the	
30	information technology leadership council created by subsection	
31	(b).	
32	(b) The information technology leadership council is created to:	
33	(1) advise the chief information officer appointed under	
34	section 3 of this chapter; and	
35	(2) perform the duties assigned to the council under this	
36	section.	
37	(c) The council consists of the following members:	
38	(1) The chief information officer of the office, or the chief	
39	information officer's designee, who shall serve as chairperson	
40	of the council.	
41	(2) The attorney general or the attorney general's designee.

5	(6) The state superintendent of public instruction or the
6	superintendent's designee.
7	(d) The council shall meet at the call of any member as
8	necessary, but at least once each calendar quarter by call of the
9	chairperson. The members of the council serve without
10	compensation and may not receive reimbursement for any
11	expenses that they incur.
12	(e) The council shall assist the chief information officer in
13	implementing this article.
14	(f) The council may create, from existing state agency personnel
15	or other individuals and organizations, any additional groups or
16	committees necessary to carry out the council's responsibilities.
17	(g) The council may review and recommend actions to the chief
18	information officer on project requests, contracts, and technical
19	documents.
20	(h) The council shall establish a reasonable fee for enhanced
21	access to public records and other electronic records, so that user
22	fee revenue from all electronic transactions subject to the fee
23	established under this section is sufficient to develop, maintain,
24	operate, and expand technology services.
25	Sec. 5. (a) State agencies shall use information technology
26	services provided by the office.
27	(b) State agencies shall submit all information technology
28	related budget requests to the office. Requests submitted under this
29	subsection:
30	(1) shall be reviewed by; and
31	(2) are subject to the approval of;
32	the office before submission to the budget agency in preparation of
33	requests for appropriations.
34	(c) State agencies shall submit all information technology
35	related proposed contracts to the office. Contracts submitted under
36	this subsection:
37	(1) shall be reviewed by; and
38	(2) are subject to the approval of;
39	the office. The requirements of this subsection are in addition to
40	the rules adopted by the Indiana department of administration.
41	The Indiana department of administration may not adopt a
42	procurement rule that is duplicative or inconsistent with rules

1	adopted by the office.
2	(d) State agencies shall submit all other information technology
3	related requests to the office. Requests submitted under this
4	subsection:
5	(1) shall be reviewed by; and
6	(2) are subject to the approval of;
7	the office.
8	(e) The office may not approve a request or contract submitted
9	under this section unless the request or contract complies with the
10	accessibility standards developed under IC 4-13.1-3.
11	Sec. 6. (a) The office may require the director of information
12	technology services or another knowledgeable individual employed
13	by a state agency to advise and assist the office in carrying out the
14	functions of the office.
15	(b) State agencies shall consult with the office concerning hiring
16	information technology directors and staff.
17	(c) At the request of the office, a state agency shall submit an
18	information technology resource inventory to the office, including
19	all information technology hardware, software, technical
20	personnel, and information technology contracts.
21	•
22	Sec. 7. (a) The office may establish one (1) or more rotary funds necessary to perform the functions of the office.
23	(b) The budget agency shall determine the amount of funding
24	for a rotary fund established under subsection (a).
25	Sec. 8. (a) The office may do the following:
26	
27	(1) Develop an overall strategy and architecture for the use of
	information technology by political subdivisions.
28	(2) Assist a political subdivision in coordinating the operations
29	of the various information technology systems used by a
30	political subdivision if requested by the political subdivision. (3) Provide consulting and technical advisory services to
31	•
32	political subdivisions when requested.
33	(4) Review a political subdivision's information technology
34	project plans and information technology expenditures if
35	requested by the political subdivision.
36	(5) Develop and maintain policies, procedures, and guidelines
37	for the effective use of information technology in interactions
38	between political subdivisions and state agencies.
39	(b) The office may require a director of information technology
40	services or other knowledgeable individuals employed by a political
41	subdivision to advise and assist the office in exercising the powers
42	granted in this section.

- 11 (c) The office may develop information technology policies for political subdivisions that promote economical, effective, and integrated information technology services, technology accessibility, operational security, and adherence to the principles of the code of fair information practices for individual privacy. (d) The office may conduct studies and reviews that the office considers necessary to promote the use of high quality, cost effective information technology within local government with adequate protections of the individual citizen's interests in personal privacy. Chapter 3. Accessibility Standards Sec. 1. (a) The office shall develop standards that are compatible with principles and goals contained in the electronic and information technology accessibility standards adopted by the architectural and transportation barriers compliance board under Section 508 of the federal Rehabilitation Act of 1973 (29 U.S.C. 794d), as amended. The office shall adopt rules under IC 4-22-2 concerning the standards developed under this section. The standards must conform with the requirements of Section 508 of the federal Rehabilitation Act of 1973 (29 U.S.C. 794d), as amended. (b) If a state agency cannot comply with the information technology accessibility standards within a reasonable time without undue burden, the state agency shall submit a plan to the office,
- including the proposed time for later compliance with the standards. A plan submitted under this subsection must provide alternative means for accessibility during the period when the plan will be in effect.
- (c) Notwithstanding any other law, the standards developed under subsection (a) apply to the executive, legislative, judicial, and administrative branches of state and local government.
- Sec. 2. (a) The assistive technology standards implementation group is established. The group consists, at minimum, of the following:
 - (1) A representative of an organization with experience in and knowledge of assistive technology policy.
 - (2) An individual with a disability.
 - (3) Representatives of the administrative branch of state government.
 - (4) At least three (3) representatives of local units of government.
 - (5) The chief information officer or the chief information

2	(2) delivering notice to all news media which deliver by January	
3	1 an annual written request for such notices for the next	
4	succeeding calendar year to the governing body of the public	
5	agency. The governing body shall give notice by one (1) of the	
6	following methods:	
7	(A) Depositing the notice in the United States mail with	
8	postage prepaid.	
9	(B) Transmitting the notice by electronic mail.	
0	(C) Transmitting the notice by facsimile (fax).	,
1	If a governing body comes into existence after January 1, it shall	
2	comply with this subdivision upon receipt of a written request for	
3	notice.	
4	In addition, a state agency (as defined in IC 4-13-1-1) shall provide

31	according to this section.	
32	(e) This section shall not apply where notice by publication is	
3	required by statute, ordinance, rule, or regulation.	
4	(f) This section shall not apply to:	
35	(1) the department of local government finance, the Indiana board	
66	of tax review, or any other governing body which meets in	
37	continuous session, except that this section applies to meetings of	
8	these governing bodies which are required by or held pursuant to	
9	statute, ordinance, rule, or regulation; or	
10	(2) the executive of a county or the legislative body of a town if	

the meetings are held solely to receive information or

recommendations in order to carry out administrative functions,

41

1	to carry out administrative functions, or confer with staff
2	members on matters relating to the internal management of the
3	unit. "Administrative functions" do not include the awarding of
4	contracts, the entering into contracts, or any other action creating
5	an obligation or otherwise binding a county or town.
6	(g) This section does not apply to the general assembly.
7	(h) Notice has not been given in accordance with this section if a
8	governing body of a public agency convenes a meeting at a time so
9	unreasonably departing from the time stated in its public notice that the
10	public is misled or substantially deprived of the opportunity to attend,
11	observe, and record the meeting.
12	SECTION 15. IC 5-14-3-3.5 IS AMENDED TO READ AS
13	FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 3.5. (a) As used in this
14	section, "state agency" has the meaning set forth in IC 4-13-1-1. The
15	term does not include the office of the following elected state officials:
16	(1) Secretary of state.
17	(2) Auditor.
18	(3) Treasurer.
19	(4) Attorney general.
20	(5) Superintendent of public instruction.
21	However, each state office described in subdivisions (1) through (5)
22	and the judicial department of state government may use the computer
23	gateway administered by the intelenet commission established under
24	IC 5-21-2, office of technology established by IC 4-13.1-2-1, subject
25	to the requirements of this section.
26	(b) As an additional means of inspecting and copying public
27	records, a state agency may provide enhanced access to public records
28	maintained by the state agency.
29	(c) If the state agency has entered into a contract with a third party
30	under which the state agency provides enhanced access to the person
31	through the third party's computer gateway or otherwise, all of the
32	following apply to the contract:
33	(1) The contract between the state agency and the third party must
34	provide for the protection of public records in accordance with
35	subsection (d).
36	(2) The contract between the state agency and the third party may
37	provide for the payment of a reasonable fee to the state agency by
38	either:
39	(A) the third party; or
40	(B) the person.

(d) A contract required by this section must provide that the person

and the third party will not engage in the following:

41

1	(1) Chauthorized chilaneed access to public records.
2	(2) Unauthorized alteration of public records.
3	(3) Disclosure of confidential public records.
4	(e) A state agency shall provide enhanced access to public records
5	only through the computer gateway administered by the intelenet
6	commission established under IC 5-21-2, except as permitted by the
7	data process oversight commission established under IC 4-23-16-1.
8	office of technology.
9	SECTION 16. IC 5-14-3-3.6 IS AMENDED TO READ AS
0	FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 3.6. (a) As used in this
1	section "public agency" does not include a state agency (as defined in
2	section 3.5(a) of this chapter).
3	(b) As an additional means of inspecting and copying public
4	records, a public agency may provide enhanced access to public
5	records maintained by the public agency.
6	(c) A public agency may provide a person with enhanced access to
7	public records if any of the following apply:
8	(1) The public agency provides enhanced access to the person
9	through its own computer gateway and provides for the protection
0	of public records under subsection (d).
1	(2) The public agency has entered into a contract with a third
2	party under which the public agency provides enhanced access to
3	the person through the third party's computer gateway or
4	otherwise, and the contract between the public agency and the
5	third party provides for the protection of public records in
6	accordance with subsection (d).
7	(d) A contract entered into under this section and any other
8	provision of enhanced access must provide that the third party and the
9	person will not engage in the following:
0	(1) Unauthorized enhanced access to public records.
1	(2) Unauthorized alteration of public records.
2	(3) Disclosure of confidential public records.
3	(e) A contract entered into under this section or any provision of
4	enhanced access may require the payment of a reasonable fee to either
5	the third party to a contract or to the public agency, or both, from the
6	person.
7	(f) A public agency may provide enhanced access to public records
8	through the computer gateway administered by the intelenet
9	commission established under IC 5-21-2. office of technology
10	established by IC 4-13.1-2-1.
1	SECTION 17. IC 5-15-5.1-5 IS AMENDED TO READ AS
12	FOLLOWS [EFFECTIVE IIILY 1 2005]: Sec. 5 (a) Subject to

1	approval by the oversight committee on public records created by
2	section 18 of this chapter, the commission shall do the following:
3	(1) Establish a forms management program for state government
4	and approve the design, typography, format, logo, data sequence,
5	form analysis, form number, and agency file specifications of
6	each form.
7	(2) Establish a central state form numbering system and a central
8	cross index filing system of all state forms, and standardize,
9	consolidate, and eliminate, wherever possible, forms used by state
10	government.
11	(3) Approve, provide, and in the manner prescribed by IC 5-22,
12	purchase photo-ready copy for all forms.
13	(4) Establish a statewide records management program,
14	prescribing the standards and procedures for record making and
15	record keeping. However, the investigative and criminal history
16	records of the state police department are exempted from this
17	requirement.
18	(5) Coordinate utilization of all micrographics equipment in state
19	government.
20	(6) Assist the Indiana department of administration in
21	coordinating utilization of all duplicating and printing equipment
22	in the executive and administrative branches.
23	(7) Advise the Indiana department of administration with respect
24	to the purchase of all records storage equipment.
25	(8) Establish and operate a distribution center for the receipt,
26	storage, and distribution of all material printed for an agency.
27	(9) Establish and operate a statewide archival program to be
28	called the Indiana state archives for the permanent government
29	records of the state, provide consultant services for archival
30	programs, conduct surveys, and provide training for records
31	coordinators.
32	(10) Establish and operate a statewide record preservation
33	laboratory.
34	(11) Prepare, develop, and implement record retention schedules.
35	(12) Establish and operate a central records center to be called the
36	Indiana state records center, which shall accept all records
37	transferred to it, provide secure storage and reference service for
38	the same, and submit written notice to the applicable agency of
39	intended destruction of records in accordance with approved
40	retention schedules.
41	(13) Demand, from any person or organization or body who has
42	illegal possession of original state or local government records,

1	those records, which shall be delivered to the commission.	
2	(14) Have the authority to examine all forms and records housed	
3	or possessed by state agencies for the purpose of fulfilling the	
4	provisions of this chapter.	
5	(15) In coordination with the data processing oversight	
6	commission created under IC 4-23-16, office of technology	
7	established by IC 4-13.1-2-1, establish standards to ensure the	
8	preservation of adequate and permanent computerized and	
9	auxiliary automated information records of the agencies of state	
10	government.	
11	(16) Notwithstanding IC 5-14-3-8, establish a schedule of fees for	
12	services provided to patrons of the Indiana state archives. A	
13	copying fee established under this subdivision may exceed the	
14	copying fee set forth in IC 5-14-3-8(c).	
15	(b) In implementing a forms management program, the commission	
16	shall follow procedures and forms prescribed by the federal	
17	government.	
18	(c) Fees collected under subsection (a)(16) shall be deposited in the	
19	state archives preservation and reproduction account established by	
20	section 5.3 of this chapter.

SECTION 25. IC 6-1.1-31.5-3.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 3.5. (a) After December 31, 1998, each county shall maintain a state certified computer system that has the capacity to:

- (1) process and maintain assessment records;
- (2) process and maintain standardized property tax forms;
- (3) process and maintain standardized property assessment notices;
- (4) maintain complete and accurate assessment records for the county; and
- (5) process and compute complete and accurate assessments in accordance with Indiana law.

The county assessor with the recommendation of the township assessors shall select the computer system used by township assessors and the county assessor in the county except in a county with a township assessor elected under IC 36-6-5-1 in every township. In a county with an elected township assessor under IC 36-6-5-1 in every township, the elected township assessors shall select a computer system based on a majority vote of the township assessors in the county.

- (b) All information on the computer system shall be readily accessible to:
 - (1) township assessors;

y

1	(2) the county assessor;
2	(3) the department of local government finance; and
3	(4) members of the county property tax assessment board of
4	appeals.
5	(c) The certified system used by the counties must be compatible
6	with the data export and transmission requirements in a standard
7	format prescribed by the department of local government finance.
8	office of technology established by IC 4-13.1-2-1. The certified
9	system must be maintained in a manner that ensures prompt and
.0	accurate transfer of data to the department.
1	(d) All standardized property forms and notices on the certified
2	computer system shall be maintained by the township assessor and the
.3	county assessor in an accessible location and in a format that is easily
.4	understandable for use by persons of the county.
.5	SECTION 26. IC 6-8.1-3-16 IS AMENDED TO READ AS
6	FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 16. (a) The department
7	shall prepare a list of all outstanding tax warrants for listed taxes each
.8	month. The list shall identify each taxpayer liable for a warrant by
9	name, address, amount of tax, and either Social Security number or
20	employer identification number. Unless the department renews the
21	warrant, the department shall exclude from the list a warrant issued
22	more than ten (10) years before the date of the list. The department
23	shall certify a copy of the list to the bureau of motor vehicles.
24	(b) The department shall prescribe and furnish tax release forms for
2.5	use by tax collecting officials. A tax collecting official who collects
26	taxes in satisfaction of an outstanding warrant shall issue to the
27	taxpayers named on the warrant a tax release stating that the tax has
28	been paid. The department may also issue a tax release:
29	(1) to a taxpayer who has made arrangements satisfactory to the
0	department for the payment of the tax; or
1	(2) by action of the commissioner under IC 6-8.1-8-2(k).
32	(c) The department may not issue or renew:
33	(1) a certificate under IC 6-2.5-8;
34	(2) a license under IC 6-6-1.1 or IC 6-6-2.5; or
35	(3) a permit under IC 6-6-4.1;
66	to a taxpayer whose name appears on the most recent monthly warrant
37	list, unless that taxpayer pays the tax, makes arrangements satisfactory
8	to the department for the payment of the tax, or a release is issued
19	under IC 6-8.1-8-2(k).
10	(d) The bureau of motor vehicles shall, before issuing the title to a

motor vehicle under IC 9-17, determine whether the purchaser's or

assignee's name is on the most recent monthly warrant list. If the

41

1	purchaser's or assignee's name is on the list, the bureau shall enter as
2	a lien on the title the name of the state as the lienholder unless the
3	bureau has received notice from the commissioner under
4	IC 6-8.1-8-2(k). The tax lien on the title:
5	(1) is subordinate to a perfected security interest (as defined and
6	perfected in accordance with IC 26-1-9.1); and
7	(2) shall otherwise be treated in the same manner as other title
8	liens.
9	(e) The commissioner is the custodian of all titles for which the state
10	is the sole lienholder under this section. Upon receipt of the title by the
11	department, the commissioner shall notify the owner of the
12	department's receipt of the title.
13	(f) The department shall reimburse the bureau of motor vehicles for
14	all costs incurred in carrying out this section.
15	(g) Notwithstanding IC 6-8.1-8, a person who is authorized to
16	collect taxes, interest, or penalties on behalf of the department under
17	IC 6-3 or IC 6-3.5 may not, except as provided in subsection (h) or (i),
18	receive a fee for collecting the taxes, interest, or penalties if:
19	(1) the taxpayer pays the taxes, interest, or penalties as
20	consideration for the release of a lien placed under subsection (d)
21	on a motor vehicle title; or
22	(2) the taxpayer has been denied a certificate or license under
23	subsection (c) within sixty (60) days before the date the taxes,
24	interest, or penalties are collected.
25	(h) In the case of a sheriff, subsection (g) does not apply if:
26	(1) the sheriff collects the taxes, interest, or penalties within sixty
27	(60) days after the date the sheriff receives the tax warrant; or
28	(2) the sheriff collects the taxes, interest, or penalties through the
29	sale or redemption, in a court proceeding, of a motor vehicle that
30	has a lien placed on its title under subsection (d).
31	(i) In the case of a person other than a sheriff:
32	(1) subsection (g)(2) does not apply if the person collects the
33	taxes, interests, or penalties within sixty (60) days after the date
34	the commissioner employs the person to make the collection; and
35	(2) subsection (g)(1) does not apply if the person collects the
36	taxes, interest, or penalties through the sale or redemption, in a
37	court proceeding, of a motor vehicle that has a lien placed on its
38	title under subsection (d).
39	(j) IC 5-14-3-4, IC 6-8.1-7-1, and any other law exempting
40	information from disclosure by the department does not apply to this
41	subsection. From the list prepared under subsection (a), the department

shall compile each month a list of the taxpayers subject to tax warrants

1	that:
2	(1) were issued at least twenty-four (24) months before the date
3	of the list; and
4	(2) are for amounts that exceed one thousand dollars (\$1,000).
5	The list compiled under this subsection must identify each taxpayer
6	liable for a warrant by name, address, and amount of tax. The
7	department shall publish the list compiled under this subsection on
8	accessIndiana (as defined in IC 5-21-1-1.5) operated under
9	IC 4-13.1-2) and make the list available for public inspection and
10	copying under IC 5-14-3. The department or an agent, employee, or
11	officer of the department is immune from liability for the publication
12	of information under this subsection.
13	(k) The department may not publish a list under subsection (j) that
14	identifies a particular taxpayer unless at least two (2) weeks before the
15	publication of the list the department sends notice to the taxpayer
16	stating that the taxpayer:
17	(1) is subject to a tax warrant that:
18	(A) was issued at least twenty-four (24) months before the date
19	of the notice; and
20	(B) is for an amount that exceeds one thousand dollars
21	(\$1,000); and
22	(2) will be identified on a list to be published on accessIndiana
23	unless a tax release is issued to the taxpayer under subsection (b).
24	(l) The department may not publish a list under subsection (j) after
25	June 30, 2006.
26	SECTION 27. IC 10-13-3-36 IS AMENDED TO READ AS
27	FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 36. (a) The department
28	may not charge a fee for responding to a request for the release of a
29	limited criminal history record if the request is made by a nonprofit
30	organization:
31	(1) that has been in existence for at least ten (10) years; and
32	(2) that:
33	(A) has a primary purpose of providing an individual
34	relationship for a child with an adult volunteer if the request
35	is made as part of a background investigation of a prospective
36	adult volunteer for the organization;
37	(B) is a home health agency licensed under IC 16-27-1;
38	(C) is a community mental retardation and other
39	developmental disabilities center (as defined in IC 12-7-2-39);
40	(D) is a supervised group living facility licensed under
41	IC 12-28-5;
42	(E) is an area agency on aging designated under IC 12-10-1;

1	(F) is a community action agency (as defined in
2	IC 12-14-23-2);
3	(G) is the owner or operator of a hospice program licensed
4	under IC 16-25-3; or
5	(H) is a community mental health center (as defined in
6	IC 12-7-2-38).
7	(b) Except as provided in subsection (d), the department may not
8	charge a fee for responding to a request for the release of a limited
9	criminal history record made by the division of family and children or
10	a county office of family and children if the request is made as part of
11	a background investigation of an applicant for a license under
12	IC 12-17.2 or IC 12-17.4.
13	(c) The department may not charge a fee for responding to a request
14	for the release of a limited criminal history if the request is made by a
15	school corporation, special education cooperative, or nonpublic school
16	(as defined in IC 20-10.1-1-3) as part of a background investigation of
17	an employee or adult volunteer for the school corporation, special
18	education cooperative, or nonpublic school.
19	(d) As used in this subsection, "state agency" means an authority, a
20	board, a branch, a commission, a committee, a department, a division,
21	or another instrumentality of state government, including the executive
22	and judicial branches of state government, the principal secretary of the
23	senate, the principal clerk of the house of representatives, the executive
24	director of the legislative services agency, a state elected official's
25	office, or a body corporate and politic, but does not include a state
26	educational institution (as defined in IC 20-12-0.5-1). The department
27	may not charge a fee for responding to a request for the release of a
28	limited criminal history if the request is made:
29	(1) by a state agency; and
30	(2) through the computer gateway that is administered by the
31	intelenet commission under IC 5-21-2 and known as
32	accessIndiana. office of technology established by
33	IC 4-13.1-2-1.
34	(e) The department may not charge a fee for responding to a request
35	for the release of a limited criminal history record made by the health
36	professions bureau established by IC 25-1-5-3 if the request is:
37	(1) made through the computer gateway that is administered by
38	the intelenet commission under IC 5-21-2 and known as
39	accessIndiana; office of technology; and
40	(2) part of a background investigation of a practitioner or an
41	individual who has applied for a license issued by a board (as

defined in IC 25-1-9-1).

1	SECTION 28. IC 20-10.1-25-1 IS AMENDED TO READ AS
2	FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 1. (a) The educational
3	technology program and fund is established for the purpose of
4	providing and extending educational technologies to elementary and
5	secondary schools for:
6	(1) the 4R's technology grant program to assist school
7	corporations (on behalf of public schools) in purchasing
8	technology equipment:
9	(A) for kindergarten and grade 1 students, to learn reading,
10	writing, and arithmetic using technology;
11	(B) for students in all grades, to understand that technology is
12	a tool for learning; and
13	(C) for students in kindergarten through grade 3 who have
14	been identified as needing remediation, to offer daily
15	remediation opportunities using technology to prevent those
16	students from failing to make appropriate progress at the
17	particular grade level;
18	(2) providing educational technologies, including computers in
19	the homes of students;
20	(3) conducting educational technology training for teachers; and
21	(4) other innovative educational technology programs.
22	(b) The department may also utilize money in the fund under
23	contracts entered into with the Indiana department of administration
24	and the state data processing oversight commission office of
25	technology established by IC 4-13.1-2-1 to study the feasibility of
26	establishing an information telecommunications gateway that provides
27	access to information on employment opportunities, career
28	development, and instructional services from data bases operated by
29	the state among the following:
30	(1) Elementary and secondary schools.
31	(2) Institutions of higher learning.
32	(3) Vocational educational institutions.
33	(4) Libraries.
34	(5) Any other agencies offering education and training programs.
35	(c) The fund consists of:
36	(1) state appropriations;
37	(2) private donations to the fund;
38	(3) money directed to the fund from the corporation for
39	educational technology under IC 20-10.1-25.1; or
40	(4) any combination of the amounts described in subdivisions (1)
41	through (3).
42	(d) The program and fund shall be administered by the department.

1	(e) Unexpended money appropriated to or otherwise available in the
2	fund for the department's use in implementing the program under this
3	chapter at the end of a state fiscal year does not revert to the state
4	general fund but remains available to the department for use under this
5	chapter.
6	(f) Subject to section 1.2 of this chapter, a school corporation may
7	use money from the school corporation's capital projects fund as
8	permitted under IC 21-2-15-4 for educational technology equipment.
9	SECTION 29. IC 20-10.1-25.6-2 IS AMENDED TO READ AS
10	FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 2. As used in this
11	chapter, "telecommunications services and equipment" includes all
12	telecommunication services and equipment eligible for universal
13	service fund discounts as described:
14	(1) in the federal Telecommunications Act of 1996 (P.L.104-104,
15	110 Stat. 56 (1996)) and applicable regulations or orders issued
16	under that act;
17	(2) by the Indiana utility regulatory commission as allowed under

(a) (c) The trustees of Indiana University, the trustees of Purdue University, the University of Southern Indiana board of trustees, Ball State University board of trustees, Indiana State University board of trustees, the board of trustees of Vincennes University, the board of trustees of Ivy Tech State College, and the board of directors of the independent colleges and universities of Indiana (referred to collectively in this chapter as the universities) are authorized, if they find the need exists for a broad dissemination of a wide variety of educational communications for the improvements and the advancement of higher educational opportunity, to jointly arrange from time to time, for a period not exceeding ten (10) years, for intelenet services under IC 5-21 services provided by the office of technology and for the use of a multipurpose, multimedia, closed circuit, statewide telecommunications system furnished by communications common carriers subject to the jurisdiction of the utility regulatory commission to interconnect the main campuses and the regional campuses of the universities and centers of medical education and service.

(b) (d) In addition to the closed circuit statewide telecommunications system described in subsection (a), (c), the universities shall establish, in accordance with federal copyright law, a videotape program programs in an electronic format to provide for the advancement of higher education opportunity and individualized access to higher education programs. As part of the program, the universities may make available a wide variety of higher education courses in videotape form. electronic format. The universities shall make the videotapes information in an electronic format available to the public by any means of public or private distribution that they determine to be appropriate, including sale or lease. The universities may determine policy and establish procedures in order to administer this program. The universities shall maintain and keep current a listing of all videotapes: information in an electronic format.

(c) (e) The transmission system shall be for the exclusive use of the universities. However, the universities may permit the use of the transmission system, or any portion part of the transmission system, by others under section 4 of this chapter.

SECTION 32. IC 20-12-12-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 2. (a) The transmission system described in section 1(a) section 1(c) of this chapter must be designed to permit the installation of additional capacity and coverage as accumulating communication needs of higher education may require. The system must be capable of transmitting high fidelity

C

television signals	, high fidelity soun	ıd signals, data sigi	nals for computer
communications,	and voice traffic,	and must include	control circuits.

- (b) The arrangements for the use of the system may be upon terms and conditions as the universities determine are necessary, proper, or desirable.
- (c) No plan or arrangements for the use of the telecommunications system may be adopted or entered into under this chapter without the specific approval of the governor, the state budget committee, and the state budget agency. office of technology.

SECTION 33. IC 20-12-12-3 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 3. (a) The universities shall establish a coordinating unit or other body composed of persons that the universities select. The chief information officer or the chief information officer's designee shall be a member of any coordinating unit created under this section. This committee or other body has the authority to administer and supervise the use of the transmission system and the videotape program information in electronic format described in section 1 of this chapter as may be from time to time delegated to it by the universities. The universities shall have equal representation on the coordinating unit or body.

(b) There must also be an advisory council of representatives of users of the transmission system, which must include the chief information officer or the chief information officer's designee.

SECTION 34. IC 20-12-12-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 4. (a) Any arrangements for the use of the telecommunications system or the videotape program information in electronic format described in section 1 of this chapter must provide that the universities, or any committee or other body established under section 3 of this chapter (if the power is so delegated to them), may permit any of the following entities to use the telecommunications system or the videotape program information in electronic format for educational purposes:

	30
1	coordinating unit or body established under section 3 of this
2	chapter that determines that no other provider of the services is
3	available or that using another provider would create an undue
4	hardship on the user.
5	(b) (c) Any use permitted under this section is subject to the rules,
6	regulations, fees, and charges as the universities, committee, or other
7	body may prescribe.
8	(c) (d) Each entity that uses the transmission system is responsible
9	for the origination of the program to be transmitted by that entity and
10	for the reception and utilization of the program at the destination.
11	(d) (e) The payment of all costs in excess of the cost of the use of
12	the transmission system facilities and the videotape program
13	information in electronic format shall be borne by the parties using
14	the system as agreed upon.
15	SECTION 35. IC 20-12-12-5 IS AMENDED TO READ AS
16	FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 5. (a) In connection
17	with the use of the telecommunications system, the videotape program
18	information in electronic format described in section 1 of this
19	chapter, or any other related matter, the universities may accept gifts
20	or contributions from individuals, corporations, limited liability
21	companies, partnerships, associations, trusts, or foundations and may
22	accept funds under terms and conditions that the universities determine
23	are necessary or desirable from any federal agency.
24	(b) The universities may enter into and carry out contracts and
25	agreements in connection with this chapter. All contracts and

agreements entered into must be approved by the coordinating unit established by section 3(a) of this chapter.

SECTION 36. IC 20-12-12-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2005]: Sec. 6. (a) A special and distinct fund is hereby created to be known as the higher education statewide telecommunications fund. Expenditures from the fund may be made only for the following:

- (1) Payments by the universities for the use of a telecommunications system or the lease, purchase, rental, or production of a videotape program information in an electronic format as provided in this chapter.
- (2) Studies regarding the possibilities of extending the use of the telecommunications system described in section 1(a) section 1(c) of this chapter to other colleges and universities in Indiana and of extending the use of the system for post-high school and other educational uses.
